

**Parole Change Project
Vision Statement:**
To deliver a just, fair and efficient Parole System in Scotland that keeps people safe.

Key Improvements
 Reduced 'end to end' system timescale in the majority of cases
 Far fewer process steps and hand-offs
 Improved quality of and right information at all points (latest, key evidence provided to Board to assess)

Key Improvements

Organisations

Outcomes

- For Parole System:**
- More cost effective & efficient system
 - Independent decision making maintained
 - Resources focussed and deployed
- For Prisoner:**
- Engaged in parole process at the right time
 - Enhanced support and prepared for release
- For Society:**
- Those released better prepared to contribute and find their place in society
